

**Thursday, 16th of March
from 9:10-10:00
at MOE79 (in-person)**

A Gender-Sensitive Drug Policy, What Does It Entail?

An event organized by Dianova International on behalf of the Civil Society Forum on Drugs of the EU

This side event will present a number of challenges, as well as good practices opening the way to effectively mainstreaming a gender perspective into policies and programmes developed by international fora, intergovernmental organizations, Member States, and civil society organisations.

- Intro remarks: Ambassador and Permanent Representative to the UN in Vienna Annika Markovic, Sweden
- Civil Society representatives:
 - Mulka Nisic, Celebrate Recovery
 - Ailish Ni Bhraonáin, Women and Harm Reduction International Network
- Closing remarks: Marie-Aude Tannou, European Commission

Moderation: Lucía Goberna, Dianova International
