THE WORLDWIDE IMPACT OF THERAPEUTIC COMMUNITIES (TCs): World Federation of Therapeutic Communities (WFTC) is pleased to share the findings of the 2nd edition of the WFTC Social Report, a joint effort of 301 organizations from 40 countries and from the 6 regions of the whole world, who sought to highlight the monumental effort that Therapeutic Communities (TCs) around the world make daily in search of a better world for those who suffer, directly or indirectly, from the drug use. This report outlines the 300,000 persons assisted across the reporting TCs, and almost a million and a half of people reached, totaling more than 1,700,000 assisted and reached people by WFTC TCs worldwide.
